The following information relates to a change in the practising status of a registered medical practitioner:

FILE NO.	NAME	SUSPENSION FROM THE MEDICAL REGISTER
5965	Dr Miles Roger Wislang MB ChB 1967 Otago	

Pursuant to Section 104 of the Medical Practitioners Act 1995, and with effect from 14 October 1999, the Medical Practitioners Disciplinary Tribunal has ordered that the registration of Dr Miles Roger Wislang be suspended until disciplinary proceedings with regard to a charge of ~~disgraceful conduct in a professional respect~~ have been determined.

CORRECTION

In the disciplinary proceedings to which the original of the above fax notification refers, the charge laid and determined against Dr Wislang was NOT the charge stated and now struck through herein above, but was a less serious charge of having practised medicine without holding a current practising certificate; such practising being, under the provisions of s109(2)(b) of the Medical Practitioners Act 1995, professional misconduct.

This Correction has been made under the provisions of sub-clause 1(a) of Information Privacy Principle 7, s6 of the Privacy Act 1993, upon request by Dr Wislang and in agreement with him as to its form.
